 Subject: Constitutional Development - The Third Report

Dear Sirs,

I strongly object the content of the Third Report which destroy every hong kong citizen's right to to elect our own Chief Executive and all the Legislative Councilors on 2007 and 2008.

I think the three members of the Constitutional Development Task Force sold their soul to the devil and drain away every hong kong citizen's heart into the black hole.

Hope those people who sold out hong kong people can sleep tight at night.

: God bless people of hong kong.

Regards,

Chow's
