Dear Mr Lam,

LEGCO FUNCTIONAL CONSTITUENCY

The vital importance of electrical and mechanical works to Hong Kong GDP and community well being is well known. This Federation embrace a great majority of electrical and mechanical (E&M) contracting companies. A Federation brochure is enclosed.

The Hong Kong Electrical and Mechanical Constructors Association Limited (HKEMCA) is a constituent member of the Real Estate and Construction Functional Constituency and a founding constituent member of this Federation.

May I request a meeting with you to be attended by this Federation's President, Vice Presidents and key officials in the next two weeks to discuss :

1. A transfer of representation of HKEMCA to the Federation in the Real Estate and Construction Functional Constituency
2. A proper construction representation or constituency in the next Legco of Hong Kong Construction Association and the Federation independent of Real Estate Developers Association of Hong Kong.

Looking forward to your instructions to a meeting.

Yours sincerely,

(Signed)

James Chiu
President
