No solid proposal but strongly against direct election in 2007 and 2012.

I think this needs not be changed. All seats should eventually be elected directly and 60 is optimal for a population of 6-7 millions.

This number should be increased GRADUALLY until all seats are through direct elections. My opinion is to increase to 40 (out of 60) by 2012, 50 (out of 60) by 2016 and 60 (out of 60) by 2020.
