Subject: Proposals for Method for Selecting the Chief Executive and for Forming the
Legislative Council

    Move To: 

Dear Sir,

I would put up my proposal on the above captioned as below.

a. For the Method for Selecting the Chief Executive:

To increase the Election Committee to 1,200 members,
and

b. For Forming the Legislative Council:

The number of seats be increased to 72 seats

In respect of the selection for functional constituencies representative, I would propose that selection should be one person one vote of the persons belonging to the respective functional constituencies.

Would suggest that the above methods should be adopted by the year of 2022 for electing Chief Executive and for the formation of Legislative Council, it would be better adopted in year 2024.

Best Regards
Lam Yiu Wan
