LCQ11: Tables in answer part

Table A

Cycle	Number of	Number of	Total number
	electors who	electors who	of newly
	registered for the	re-registered	registered
	first time		electors
	(A)	(B)	(C) = (A) + (B)
2012	135 099	12 986	148 085
2013	46 982	9 639	56 621
2014	71 102	6 159	77 261

The statistical breakdown of the total number of newly registered electors (i.e. column (C)) according to District Council delineation, age groups and gender is set out in the Annex. However, the REO does not have further breakdown of the figures as set out in the Annex according to whether the electors were registered for the first time or re-registered.

Table B

Cycle Reason of removal and number of electors	2012	2013	2014
Failure to respond to statutory inquiry	218 199	26 281	13 740
procedures			
Death	22 324	24 591	26 863
Others (such as voluntary	1 896	527	295
de-registration, loss of Hong Kong			
permanent resident status)			
Total	242 419	51 399	40 898

The REO has no breakdown of electors by reasons of de-registration according to District Council delineation and age groups.
