

**Table 4**

	Highest number of times of absence from DC meetings (absence rate)
DC members and at the same time LegCo Members returned by geographical constituencies	2 times (50%)
DC members and at the same time LegCo Members returned by functional constituencies	1 time (17% / 20% / 25%) (Note: more than 1 DC members were absent from 1 DC meeting. As different DCs have different numbers of meetings held, one member has an absence rate of 25% while other members have an absence rate of 20% or 17%)
