Subject:Opposed to more democracy

To whoever reads this,

Please don't give in to the demands of those pan-democrats. Just to let you know that we (a bunch of middle-classes) are opposed to universal suffrage or any form of democracy. We are always the minorities. Right now, if given democracy, the society is not mature enough to handle it. It will vote all the populist politicians into office and those idiots will please the crowd at the expense of the long term interest / stability of the society.

Please, we do not want a timetable for universal suffrage. I (now age 31) do not want to see universal suffrage in my lifetime.

Regards,

Joe Lee
