Dear Sir or Madam

I disagree with the whole idea to employ Deputy Directors of Bureau & Assistants to Directors of Bureau because it is a waste of money. I wonder why a assistant cost so much to employ? Is it worth? Why do we have to pay such a huge amount of money for the salary for people like that!

Hong Kong Government is useless anyway and try to rip people off. You people in high rank will never understand or experience life like us. You have so much to spend and earn a fortune but do nothing! You people only talk talk and enjoy easy life and let the poor to suffer.

Are you human being or do you have a heart!
