In the first year of work, the Sub-group has made progress in reaching consensus with its Guangdong counterpart on the need to gather information on the difficulties encountered by enterprises in trade and investment, to simplify relevant procedural requirements, and to facilitate the flow of capital within the region.

**The major tasks for the Sub-group will include:**

- Étudying the report by the Hong Kong Central Policy Unit and the Guangdong Development Research Centre on encouraging Guangdong enterprises to set up business in Hong Kong when it is available in order to consider future work in this regard.
- Pursuing the proposal for Hong Kong and Guangdong to coordinate an annual GPRD promotion plan.
- Working with its Guangdong counterpart to further promote to Guangdong enterprises the investment environment in Hong Kong and to facilitate them to set up business in Hong Kong, by supporting the organising of seminars and promotional activities by the two Governments and relevant organisations.

Looking ahead, the Sub-group is confident that on the basis of cooperation and common understanding achieved so far, Hong Kong and Guangdong can develop concrete joint projects to facilitate the businesses of both sides.
